

ENVIROCRETE

CONCRETE MOULD OIL

Envirocrete Mould Oil is a blend of bio-degradable oils emulsified in water and is designed for use in general site operations and precast yards.

- ✓ VOC free, Non-flammable, Low odour.
- ✓ Safe and environmentally friendly.
- ✓ Non staining, suitable for white or coloured concrete.
- ✓ Easy to apply by spray or brush.
- ✓ Not easily washed off by rain.
- ✓ Clean equipment with water.
- ✓ Does not prevent the application of other coatings, sealers and mortars.
